Members of Expeditionary Force  
Hold Their First Field  
Day on Sunday.

Include With Genuine U. S. Ath-  
letic Program—M. Clemenceau  
Guest of General Sibert, and Later  
Addresses Entire Battalion.

(By Associated Press.)

### AMERICAN TRAINING CAMP IN FRANCE, Sunday, September 16.—

American infantrymen of the expedi-  
tionary army held their first field day  
since their landing in France at  
Georges Clemenceau, former  
French Premier, as the guest of honor.  
A battalion of an infantry regiment  
gave demonstrations of machine gun,  
and bayonet assaults, concluding  
with a genuine American athletic pro-  
gram, including 100-yard dashes, tugs  
war and boxing bouts.  
The entire battalion that participated  
in the program lunched in the open air,  
Clemenceau being the guest of Gen-  
eral Sibert, and the French officers  
dining with the American brigadiers.  
In an address to the Ameri-  
can officers, M. Clemenceau said:  
"I feel highly honored at the privi-  
lege of addressing you. I know Ameri-  
cans, having lived in your country,  
and I have always admired, and I am  
impressed at the presence of  
American army on French soil in  
defense of liberty, right and civiliza-  
tion against barbarians. My mind com-  
es back to the Pilgrim fathers  
who landed on Plymouth Rock seeking  
freedom and finding it. Now their chil-  
dren are returning to fight  
for the liberty of France and the  
world."

After M. Clemenceau addressed the  
battalion, saying:

"You men have come to France with  
interested motives. You came, not  
because you were compelled to come,  
because you wished to come. Your  
country always possessed love and  
friendship for France. Now you are at  
the front and every French house is  
open to you. You are not like the peo-  
ple of other nations, because your mo-  
tives are devoid of personal interest  
because you are filled with ideals.  
You have heard of the hardships be-  
fore you, but the record of your coun-  
try proves that you will acquit  
yourselves nobly, earning the grati-  
tude of France and the world."

### GERMAN CLOCKS SET BACK

Land Also Adopts Daylight-Saving  
Plan—"Summer Time" in England  
Officially at End.

(By Associated Press.)  
AMSTERDAM, September 17.—All  
clocks in Holland and Germany were  
set back an hour at 3 o'clock this  
morning. The daylight-saving sched-  
ule began on April 15.

Summer time also ended officially  
in England at 3 o'clock this morning.

### NO STRIKE AT NORFOLK

Board Air Line Clerks There Make  
No Demands—Hamlet Walkout  
Not Serious.

(By Associated Press.)  
NORFOLK, VA., September 17.—  
Board Air Line Railway officials  
said there has been no request  
in the clerks for a conference, and  
they have received no intimation  
that there would be any such request.  
Clerks of all the railroad and  
transportation companies entering  
Norfolk and Portsmouth have formed  
an association, but, it is said, have  
no demands upon the companies,  
all are working to-day.

Hamlet, N. C., eighteen transfer,  
and mechanical office clerks failed  
report for duty this morning. Sea-  
shore officials say this will not dis-  
rupt the package freight usually  
shipped for distribution at that point.  
The clerks are being eliminated at  
that point, and thus eliminate ar-  
rival for transfer.

## Speaking of Water---

A doctor said, "Civilized Man is a Chump—among other foolish  
things he does, he supplies his child with drinking water that is pol-  
luted, and when the innocent one dies with typhoid he rolls his eyes  
toward heaven and says 'The Lord has taken away.'"
